TOP SECRET

Official Diary

13 July 1951

| | PRC meeting called off as there were no projects. |
|------|---|
| 25X6 | |
| 25X1 | Agreed with Mr that the 9:00 Staff Meeting could be pushed ahead to 8:45 so that he could talk with his assistants before the Deputies Meeting. |
| 25X1 | Discussed with Mr the question of additional space in this building. |
| | Col. Baird called about taking Training from under DDP. Talked to Mr. Wolf who stated that Baird was still directly under the DCI and would have under him overt and covert deputies. Any problems should be discussed with Mr. Wolf or Mr. Dulles. |
| | Held a meeting with Ed Saunders and 25X1 of PC to set up procedures for handling PC projects. |
| 25X1 | Discussed case with Mr. Wolf and sent him a telegram from the DCI. |
| 25X6 | |
| | 25X6 |
| 25X1 | called to say that will send a 25X1 lot of comments on the Atomic paper and may want to discuss it |
| 25X1 | before it goes out. Told to have paper produced with Air Force comments and DCI will then decide whether to discuss or send it out. |
| | (continued) |
| | (out office) |

Pforzheimer reported on his talk with Cong. Karsten in regard to our giving Karsten classified material which we have declined to do. Karsten resonable and accepts our position.

Discussed with our contribution to Progress Report on NSC 68/4. He has prepared memo. Also discussed this with the D/DCI. It will be brought up at an AD's meeting on Monday.

25X1
